Patient/Physician Philosophy:

I view my role as that of educator & advisor. I try to give my patients the information and guidance they need to make informed choices about their healthcare. Patients come with physical, psychological & lifestyle issues; all of which, can impact their well being. My goal is to compassionately care for each one of them as a "whole person".

Personal Interests:

Studying languages, rose gardening & traveling.

Why Minor & James Medical:

I was attracted to Minor & James Medical because of the high quality of the physicians and their practice philosophy. I'm very excited to have the opportunity to help expand our Bellevue clinic.
