Patient/Physician Philosophy:

A strong physician / patient relationship with good communication is the key to excellent healthcare. A general Internist is uniquely trained to provide and coordinate high quality medical care focusing on prevention as well as acute and chronic disease management.

Personal Interests:

Spending time outdoors with my family ~ camping, cycling and fishing.

Why Minor & James Medical:

Minor & James Medical combines high quality primary care with on-site referrals to excellent sub-specialists in a facility with a full compliment of lab and radiology services.
