Patient/Physician Philosophy:

I like to think of the patient-doctor relationship as a partnership, with both of us working together toward a common goal of optimum health. I strive to get to know my patients as individuals, so that we can find the approach that is right for them. The long term relationships that result are what make medicine rewarding for me.

Personal Interests:

Spending time with my husband and young daughter; gardening; cooking for family & friends.

Why Minor & James Medical:

Having excellent specialists within our group gives me the resources I need to offer my patients comprehensive, well coordinated care. There is a widespread commitment at Minor & James Medical to providing top-notch care.
