Patient/Physician Philosophy:

I believe in taking the time to understand the patient's life and perspective, then figuring out what the patient feels is wrong. From there, I can suggest further medical steps to help that person improve his or her health.

Personal Interests:

Running, Hiking, and Reading

Why Minor & James Medical:

I have respect for the integrity and ability of physicians and staff. Minor & James is small enough to know every person but large enough to have comprehensive services in one location.

Languages:

English and conversational Chinese
