Patient/Physician Philosophy:

Listening to the patient and treating each one with individualized care is my priority. I believe in evidence based medicine but am open and accepting of alternative medicine.

Personal Interests:

Swimming, sprint triathlons, reading & learning to play the piano.

Why Minor & James Medical:

Minor & James Medical has a long history of patient excellence, caring physicians & compassionate staff. Our facilities & multiple medical specialists give patients convenient access to tests & experts; which, typically results in a quick diagnosis so treatment can begin earlier. This minimizes patients waiting in uncertainty or pain.
