### Patient/Physician Philosophy:

I love my specialty because of the comprehensive medical and surgical care it allows me to offer my patients. I consider myself a partner with my patients in achieving optimum health, and am dedicated to finding the solution that is the very best for each patient. It is my goal to provide state-of-the-art, personalized care. My patients deserve nothing less.

### Personal Interests:

I love to travel with my wife and children, and am heavily involved in the youth programs in my church. As a family we love to sail in the summer and ski in the winter. I enjoy a good book, and the beauty of the Pacific Northwest.

### Why Minor & James Medical:

After many years of practicing on First Hill, I have come to admire and respect the physicians of Minor and James, and have enjoyed our interactions. With the ever-increasing complexity of medical care, I have decided that my patients will be even better served by strengthening those relationships and facilitating access to medicine's expanding services.
